Blast-X

INDUSTRIAL FOAM CLEANER

- Intensive white foam
- Anti-Static
- Multi surface use
- Grease dissolving
- Effective on very dirty, encrusted dirt
- Water dilutable
- Fast action
- Difficult to reach application: 5m spray distance
- Heavy duty

General Information

BLAST-X is a unique aerosol foam which enables simple and easy cleanup of tool machines, all office-related surfaces like office furniture (laminated and metallic), door handles, computer frames, neon lights and more! Sprays as an engulfing, heavy duty foam that clings to surfaces and provides extended cleaning contact time.

BLAST-X contains super powerful, grease dissolving agents and detergents for instant "mega-forceful" cleaning action.

BLAST-X provides a self indicating foam which quickly breaks down grease and grime and becomes dirty indicating soil is ready to be flushed away.

Technical Information

Aggregate State: Liquid
Relative density: < 1

Water solubility: miscible
Shelf life: 12 month
Safety measures: Consult the Safety Data Sheet.

Application and Use

- Blast-X can be used for tool machines, computer and television frames, neon lights, car interiors, plastic and metallic bumpers, as well as for all office-related surfaces like copy machines and projectors, office furniture (laminated, metallic, plastic) and window frames.
- Apply BLAST-X to the surface to be cleaned and allow to work for 5 - 10 seconds before rubbing, and then rinse with water or, if necessary, wipe with a cloth.
- On more delicate surfaces, we recommend applying BLAST-X to a cloth and then wiping.
