

## LNO

## Lubrix Nano Oil

**WATER RESISTANT,  
ANTI-CORROSIVE DE-SEIZER,  
LUBRICANT AND CLEANER**

- Works very quickly
- Wets, penetrates, cleans and lubricates in a single step
- Performs difficult de-seizing without damaging threading
- Provides a water-repellent and phosphate coating
- Does not contain silicone
- Improved anti-rust, anti-corrosive and anti-wear properties
- 3 times better than PTFE

**GENERAL INFORMATION**

LUBRIX NANO OIL is a super-penetrating de-seizer and rust reducer, with rapid phosphate coating action from new nanoparticle technologies. It's special formulation produces a phosphate coating on parts and lubricates over several months.

LUBRIX NANO OIL reduces maintenance costs and

gives a longer life to the lubricated parts.

LUBRIX NANO OIL is your product for unblocking heavily seized assemblies and provides long lasting protection on any environmental humidity levels.

**TECHNICAL INFORMATION**

Appearance: opaque liquid

Color: black

Viscosity (at 40°C): 220 cP

Density (at 20 °C): 0,81 g/cm<sup>3</sup>

Flash Point: > 60 °C

4 balls EP-test: (ASTMD2596): 9000N

EMCOR corrosion (NFT 60 135): 0-0

Operating temperature range: -30°C to +300°C

Solubility in water: insoluble

Flammability: extremely flammable

Store in closed original packaging away from sources of ignition and in a well-ventilated area.

**APPLICATION AND USE**

- LUBRIX NANO OIL is recommended for use in: Marine environments, cement works, petrochemicals, agriculture, military, aerospace, etc.
- LUBRIX NANO OIL is particularly suited for unblocking seized assemblies: bolts, nuts, screws, threads, waterworks rods, pulleys and mountings requiring usage of an effective de-seizer.
- LUBRIX NANO OIL produces a phosphate coating on parts, and lubricates very well over several months.
- LUBRIX NANO OIL is perfectly water-resistant, it provides effective and long-lasting protection regardless of environmental humidity levels surrounding treated parts.
- Inventory is reduced, life of equipment is increased and maintenance costs reduced.
