CONFIRMATION REACH/SVHC

Dear Sir/Madam,

herewith I confirm to you that **Lubrix PTFE Oil** fulfills the following requirements:

They are compliant with REACH1907/2006/EC in the presently valid version. To the best of our knowledge, I confirm that no Substances of Very High Concern (SVHC) are in products to an extent of higher than 0.1 %. If a SVHC is in a product to an extent of higher than 0.1 % by way of exception, this is mentioned in chapter 3 and in chapter 15 of the corresponding Safety Data Sheet. Based on the information of our raw material suppliers, I confirm that all substances in our products are registered according to the legislation or exceptions from the registration obligation are applicable. I confirm to you that we respect relevant restrictions. Furthermore, I confirm that no SVHC are in the packaging of our products to an extent of higher than 0.1 %. We respect the principle of complex objects as defined by the European Court of Justice ECJ (case C-106/14, dated 10 September 2015). In addition, I confirm that we have implemented processes to secure the REACH compliance in future. We follow the relevant communications of European Chemicals Agency (ECHA) and of our suppliers, we revise our Safety Data Sheets, if appropriate, and we continue to fulfill all Reach obligations.

Best regards,

Mit freundlichen Grüßen,

Tech-Masters Trading GmbH
