Powercleanse

**PROFESSIONAL HAND
CLEANER GEL-PASTE WITH
NATURAL RUBBING AGENTS**

- creamy, mild hand cleaner with a pleasant fresh fragrance.
- remove light to heavy industrial dirt.
- suitable for daily use without any negative effect on the skin.
- wide range of application such as industrial manufacturing, garages and body repair shops.
- while washing, a creamy foam is created with a smooth skin feeling.
- with natural rubbing agents

**General Information**

POWERCLEANSE is specially unique and developed to remove pollution, oil, grease, ink etc. for wide range of industrial application such as garages,

metal manufacturing, machine operating etc. The abrasives rub the dirt, but do not harm the skin.
