Powercleanse Care

COSMETIC SKIN PROTECTANT CREAM

- Silicone-free
- Supports recovery of natural lipid barrier
- Protects skin from drying and roughness

General Information

POWERCLEANSE CARE is a silicon free skin protection and regeneration cream used during and especially after work. POWERCLEANSE CARE supports the recovery of the natural lipid barrier of the skin. It is an excellent moisturizer and protects the skin from drying and roughness.

POWERCLEANSE CARE passed a human patch test with the rating "very good". The product did not lead to allergic or toxic irritative intolerance reaction in epicutaneous testing in accordance with international guidelines.
