

**ALL PURPOSE WAX**

- Multi-purpose, long lasting superior lubricant
- Excellent release agent
- Dries quickly
- Stops squeaks
- Waterproof and colorless
- Prevents sticking – reduces drag
- Increases work efficiency

**General Information**

SLIX is a uniquely formulated blend of rich viscous silicones designed to provide superior lubrication with excellent release properties.

SLIX is a multipurpose lubricant designed to waterproof, prevent sticking, stop squeaks.

**Technical Information**

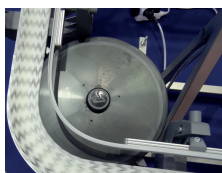

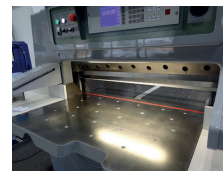

Form: aerosol  
Colour: colourless  
Odour: characteristic  
Initial boiling point and boiling range: -40°C  
Flash point: -80°C

Upper/lower flammability or explosive limits: 1.1 – 10.8 Vol-%  
Density (at 20 °C): 0,7 g/cm³ DIN 51757  
Shelf life: 12 months  
Safety measures: Consult the Safety Data Sheet

**Application and Use**

- SLIX can be applied to most surface. Regular use reduces amount of materials sticking to equipment increasing work efficiency, lessening drag and allowing work equipment to work faster.
- On snowplow equipment: it prevents snow and ice from piling up on snow plow blades, moldboards and wings.
- On grass cutting equipment: it prevents grass clippings from sticking to cutting blades.
- Other applications. pulleys, conveyors, rollers, sliding doors, windows, road equipment, graders, bulldozers, tables, wheelchairs, gurney wheels, office furniture and zippers.
- One application dries in a few minutes. Hold can 20 to 25 cm from surface to be sprayed. Cover surface thoroughly. Mask-off surrounding areas to avoid over spray residue.
