Strip Fix

AUTOMATIC WIRE STRIPPING PLIERS

- Can be used for the stripping of solid and flexible conductors
- For a fast and precise stripping of wires even in hardly reachable areas
- Automatic adjustment to conductor cross section
- No adjustment to diameter necessary
- Wire cutter for diameters up to 2,5 mm²
- Adjustable length stop from 6 to 15 mm
- Durable and robust

GENERAL INFORMATION

STRIP FIX is an ergonomic and automatic wire stripper for solid and stranded wires. It can be used for single, multiple and fine stranded cables from 0,2 up to 6,0 mm².

STRIP FIX is suitable for any applications in

standard insulations, electrical engineering, electrical industry and automobile industry.
STRIP FIX has an adjustable length stopper from 6 to 15 mm.

TECHNICAL INFORMATION

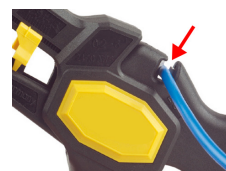

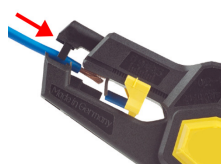

Body: Fibreglass reinforced polyamid (PA)
Blade: Special steel, hardened and tempered
Weight: 91 g
Cable types: Flexible and solid conductors

Capacity: Wires from 0,2 - 6,0 mm²
Length stopper: from 6 up to 15 mm
Wire cutter: for diameter up to 2,5 mm²

APPLICATION AND USE

- **USE - Wire stripper:**
Set the adjustable length stop to your required length (from 6 to 15 mm).
For the automatic adjustment, insert the cable into the tool and close the handles.
Open the tools again and your work is finished.
- **USE - Wire cutter:**
Insert the wire (diameter up to 2,5 mm²) and close the handles.
- **WARNING:** Never use this tool on or near electrical circuits!
- **APPLICATION:**
- for solid and flexible conductors from 0,2 - 6,0 mm²
