Supersteam

**HEAVY DUTY LIQUID STEAM
CELANER**

- Puts down a blanket of powerful, controlled foam which holds in heat and keeps the chemical on the work surface.
- Strong solvent action cuts through heavy grease and baked-on oil and difficult soils.
- Fast acting. Penetrants cut through heavy deposit quickly for fast emulsification.
- Provides complete renovation. Removes paint, oil, grease and carbon deposits.
- Will not clog coils. Contains no salts to form scale and clog steam cleaning equipment.
- Highly concentrated. For ordinary cleaning, only 1 liter of SUPERSTEAM is needed in 20 liters of water.

**GENERAL INFORMATION**

SUPER STEAM is a heavy duty liquid steam cleaner concentrate,

designed to be used where ordinary degreasers fail.

Technical Information

Appearance: Fluid
Color: Dark yellow
Odor: Characteristic
Specific Gravity: 1.10
Boiling point / boiling range: 100°C
PH Factor: 13.5

Vapour pressure (at 20°C): 23 hPa
Density (at 20°C): 1,15 g/cm³
Shelf life: 12 month, always keep the lid closed. Store under shade away from direct heat.
Safety measures: consult the Safety Data Sheet.
FOR INDUSTRIAL AND COMMERCIAL USE ONLY!

APPLICATION AND USE

- SUPERSTEAM is used on motors, heavy equipment, masonry and all unpainted surfaces except aluminum, magnesium or other light alloys to remove grease, oil, and old paint accumulated on surfaces.
- SUPERSTEAM is suitable for the application on brass, but it must not be applied onto hot surfaces, not in direct sunlight and it must not dry out. The product foams and is also suitable for HD machines.
- SUPERSTEAM can be used in car washes as a pre-cleaner (dilution 1:4) and can be applied on the underbody of the car.
- For usual cleaning, mix one liter of SUPERSTEAM to each 20 liters of water. Increase concentrate per liter of water for removal of hard incrustations or heavy duty cleaning.
- Always wear rubber gloves, protective aprons, and safety goggles when handling or using SUPERSTEAM. Do not use on aluminum, or aluminum alloys, or magnesium or magnesium alloys, lead or bright plate work. Do not use on wood, painted surfaces or any kind of cloth.
