

## XDA

## Caulking Drill Adaptor

### POWER EXTRUSION WITH ANY BATTERY DRILL

- Intuitive
- Easy to use
- Light weight
- Economical and environmentally friendly
- Facilitates extrusion

### General Information

CAULKING DRILL ADAPTOR turns a battery drill into an automatic caulking gun. CAULKING DRILL ADAPTOR is made from fiberglass reinforced polyamide and assembled with metal reinforced for ultra-resistance. All types of battery drill or screwdrivers are suitable, provided they have the large battery situated

at the bottom, as is the case with most popular models. The CAULKING DRILL ADAPTOR concept respects the environment by not increasing the numbers of batteries in circulation and is convenient, folding easily after use, it fits easily into any toolbox.

### Technical Information
